Re: Tax Abatement Letter of Inducement for XYZ Corporation

Dear Bargersville Town Council Members:

This letter is being written on behalf of the XYZ Corporation, an Indiana Corporation with a principal place of business in Anywhere, Indiana. XYZ Corporation is a wholly owned public company and is the third largest manufacturer of widgets in the world. Due to an anticipated increase in the worldwide demand for widgets during the next two years, XYZ Corporation wishes to construct another manufacturing facility in Indiana, and we would like to locate this new facility in Bargersville.

XYZ Corporation would like to begin construction on this new facility by (Specify Date), and this construction should be completed by (Specify Date). The new manufacturing facility will be a (Specify Size) square foot facility employing (Specify #) local workers, and the total investment by XYZ Corporation in the facility will be \$ (Specify Amount) in equipment and buildings.

For the above stated reasons, XYZ Corporation respectfully requests that the Bargersville Town Council give a favorable recommendation that tax abatements be granted for real and personal property. XYZ Corporation requests that these abatements be granted for the time periods of ___years on real property and ___years on personal property. XYZ Corporation further requests that the recommendation for the first year of tax abatement on real property be for tax year (Date), payable in (Date), and that the first year of tax abatement on personal property be for tax year (Date), payable in the year (Date).

If the Council requires any additional information, please advise our office of the same and the necessary information will be provided.

XYZ Corporation anticipates a long and mutually beneficial association with Bargersville and Johnson County. We also look forward to becoming an integral part of the community, and it is our desire to return more to the community than the amount of tax abatements we are presently requesting.

Thank you very much for all of your assistance in this most important matter.

Sincerely,

Company Officer
