Outdoor Security Lighting Application

ALL INFORMATION MUST BE COMPLETED

Available for dusk-to-dawn outdoor lighting of private areas of customers who are located on the electric utility's supply lines that are suitable for supplying the service requested.

Date: _____

Please print or type the following information:

Applicant / Business Name: _____

Service Address: _____

City: _____ State: _____ Zip: _____

Home/Cell Phone: _____ Work Phone: _____

Property Owner: _____

Mailing Address: _____

City: _____ State: _____ Zip: _____

Home/Cell Phone: _____ Work Phone: _____

Residential **Commercial**

If Utility Bill is to be mailed to another address, please provide below:

MONTHLY RATES: (CHECK ONE)

100 Watt High Pressure Sodium
 \$8.05 per month

400 Watt Metal Halide (directional)
 \$14.15 per month

400 Watt High Pressure Sodium (round)
 \$10.35 per month

Rates apply for the lighting fixture to be installed on an existing distribution-type wood pole or other supporting device. If a new pole is required, a fair market price will be charged to the account using current rates available.
